Recommendations

"Madhukar impressed me with his humbleness while providing some of the best work I have seen. He is a thorough professional who constantly strives to do better and delivers on his promises. I recommend Madhukar not only for his professionalism, but as an overall great guy who truly cares for others."

— **Raj Sekhawat**, *Manager, e-designtree*

"Madhukar is one of the finest digital arts professional, who can think one step ahead of most artists. Best thing that I like about him is his approach to arts from business application angle. He may not have produced the most beautiful design, but he certainly has produced some of the most effective designs that helped large companies achieve their visual communication objectives effectively."

— **Amit Srivastava**, *Managing Director, e-designtree*

"I worked with Madhukar for a very short duration. But during that time, I realized that he is a talented designer who does not shy away from working really hard. I would highly recommend him to anyone looking to hire a design professional / services."

— **Sanjeev Sharma**, *Sr. Graphic Designer, IBM India*

"Madhukar is very professional at Design & works he do. His designs have an edge, there is always something new in it. A great friend to me, an inspiration and a great creative mind."

— **Shekhar Sahu**, *Co-Founder, HealthcareMagic*

"Madhukar is very creative and detail-oriented member of Pankhudi Foundation. Other than working on Bangalore chapter activities, his innovative design efforts give a fresh and inspiring outlook to the Pankhudi Newsletter. He leads the Graphics Design Team in Pankhudi and has been instrumental in supporting the foundation in the best possible way. Going Great Madhukar!!"

— **Yatin Sethi**, *Co-Founder and Coordinator, Pankhudi Foundation*

"Madhukar is one super-talented self-taught graphic designer. He is a confident and driven professional and has an innate ability to understand what exactly is required from him. He is also a smashing photographer, offering further proof that he is a very creative chap who likes to surprise people. Great guy to work with."

— **Mohana M Shivashankar**, *Flash Programmer, Impelsys*
